

SYDNEY / AU

omy

ARTIST EPK / 2026

THE ARTIST

omy is a Sydney, Australia based artist building a sound around hip hop, R&B and trap. His music is instinctive and melodic — ideas arrive in the moment, often through freestyle, then take shape through arrangement into complete compositions.

IDENTITY

Born in Sydney's South West, omy's entry into music was unexpected. What began without a plan became a genuine pull toward creating, recording and becoming fully immersed in the artist space.
